The President logo is prominently displayed at the top center, featuring three crests (a lion, a red shield, and a black shield with white dots) above the brand name 'PRÉSIDENT' in a bold, red, serif font. The logo is framed by a golden laurel wreath. Below the logo is a glass bowl filled with flour, with a wooden spoon resting inside it. The background is a dark, textured surface with various baking ingredients and tools scattered around, including cinnamon sticks, star anise, a wooden rolling pin, and several wooden spoons containing different powders.
